

# Internal Moderation

1. It is essential that assessment decisions be in line with the qualification standards. The internal and external moderation process is in place to ensure that all assessments are applied consistently for all candidates and that the final judgement is accurate, reliable and recorded.
2. Internal moderation should be on-going throughout the course, with feedback being given to the assessors. This will be supported by the manager. There should be evidence of feedback being actioned where necessary.
3. Summative internal moderation must be carried out prior to candidates being entered for external moderation. Only those assessors whose candidates have fully met the standards can be entered for external moderation. Entering those who have not met the standards will jeopardise the success of those who have met the standards. If a tutor / teacher is found to be entering candidates for moderation who have not met the standards, disciplinary procedures may be implemented.
4. It is the responsibility of all staff to participate in the moderation process by keeping the necessary records, attending relevant meetings and submitting marked student work as requested.
5. All assessment evidence, which has been internally moderated, must be kept onsite until after the external moderation. The work remains the property of the candidate and can be returned to the candidate according to the requirements of the relevant awarding body.
